

A G E N D A

RCA	Austin City Council	Item ID	5147
Meeting Date:	4/21/2011	Department:	Austin Water Utility

Subject

Authorize negotiation and execution of an agreement with Brushy Creek Municipal Utility District (Brushy Creek) for the provision of out-of-district temporary water service to the Round Rock Independent School District school site adjacent to Brushy Creek's southern boundary.

Amount and Source of Funding

Brushy Creek and the school district will be responsible for the necessary infrastructure improvements. No City funding is required for this agreement.

Fiscal Note

A fiscal note is not required.

Additional Backup Information

Brushy Creek consists of approximately 725 acres entirely located outside the City's extraterritorial jurisdiction and within the City of Round Rock's extraterritorial jurisdiction. Brushy Creek is generally located north of RM 620, east of Parmer Road, west of Wyoming Springs, and south of FM 1431. Brushy Creek owns and operates its own water and wastewater treatment plants and the City of Austin does not provide it wholesale water and wastewater service. Brushy Creek currently serves approximately 5,200 connections.

The Round Rock Independent School District (RRISD) owns approximately 211 acres between Avery Ranch Boulevard and State Highway 45 (within Austin Water's service area) and plans to construct an elementary school at that location by June 2012. The City of Austin is constructing a 24-inch water main along future Pearson Ranch Road, but the water main will not be completed during the construction period of the RRISD school. Brushy Creek has an 8-inch water main adjacent to the RRISD tract and has agreed to provide interim water service for construction purposes only. The City of Austin would provide permanent retail water service to the RRISD school upon completion of the construction of the City's water main. The City of Austin would not be required to pay

Brushy Creek any fees for the provision of interim service to RRISD (RRISD would pay applicable water charges to Brushy Creek), and RRISD would pay all applicable fees to the City of Austin prior to obtaining City retail water service.
